

Butterflies (with Laszlo)

Norah Jones

if you want me baby,
you just gotta let me know,
let me know
if you want me baby,
you just gotta let me know,
let me knowDont go chasing after butterflies
when everything you want
is right here by your side
Dont go chasing after butterflies
when everything you want
is right here by your sideif you need ME baby you just got to let it show,
let it show
if you need ME baby you just got to let it show
let it showwhy dont you lower your defense,
theres no more room walls or fences
why dont you lower your defese,
theres no more room walls or fencesif you want me baby,
you just gotta let me know, let me know
if you want me baby,
you just gotta let me know, let me knowDont go chasing after butterflies
when everything you want
is right here by your side
Dont go chasing after butterflies
when everything you want
is right here by your sidewhen i first saw you I felt something inside i couldn't hidewell the first time i saw
you
i felt something i couldnt hide
well the first time i saw you
i felt something i couldnt hideSo don't go chasing after butterflies
when everything you want
is right here by your side
Dont go chasing after butterflies
when everything you want
is right here by your sideif you need ME baby you just got to let it show,
let it show
if you need ME baby you just got to let it show
let it show
