

Revolution Soul

Tiza Brown

Itâ€™s gonna be a revolution
This time do I have your attention
Itâ€™s gonna be a revolution
Weâ€™ve played it out and found a soul solution
Weâ€™re bringing back yeah Feelings that were done Standing on the front line Kicking out the guns
Waiting for revolution soul
Taking hold, never letting go
Ainâ€™t no show, rhythm, rock or roll Came here for revolution soul
Itâ€™s gonna be a revolution
Hey now do I have your attention
Itâ€™s gonna be a revolution
Weâ€™ve played it out and found a soul solution
Weâ€™re singing for you Rhythms full of fun Tapping out the beat, yeah Stomping on the one
Waiting for revolution soul
Taking hold, never letting go
Ainâ€™t no show, rhythm, rock or roll Came here for revolution soul
Itâ€™s gonna be a revolution
Listen up, give me your attention
Itâ€™s gonna be a revolution
Weâ€™ve played it out and found a soul solution
Weâ€™re leaving behind
All pretense of show Digging way down inside Itâ€™s time for letting go
Waiting for revolution soul
Taking hold, never letting go
Ainâ€™t no show, rhythm, rock or roll Came here for revolution soul (2xâ€™s)
