Your Place

Emma Forman

You became my weakness
You became my addiction
You make me burn like a fever of pure seduction
Your persistence paid off
Now I can't get enough of you
I can't get enough of your sweet sweet loveOh baby, nothing could fill that void
Fill that void that your love left
Oh baby, nothing could fill that void
Fill that void that your love left
Oh baby, noone could take your place
noone could take your place by mysideOh I can't let you go
No I won't let you go
I need you more with every passing day
I need your love each day as a flower needs sunlight
I don't feel no shame when I see your smile
I feel alive, I feel aliveOh baby, nothing could fill that void
Fill that void that your love left
Oh baby, nothing could fill that void
nothing could Fill that void that your love left
Oh baby, noone could take your place
noone could take your place by myside
Oh baby, noone could take your place
noone could take your place by myside
Oh, noone could ever take your place
Oh, noone could ever take your place
I need your love love like a flower needs sunlight
I need your love love
