Fucking Butter

Girl Band

I went to the shop, I got a new top
Some bat shit bread and chocolate spread
I try not to boast and put it on toast
From bat shit bread and chocolate spreadI like you like girls
Not-ell-ing you why
A Reebok ad for scabby Nikes
I like you like girls
Not-ell-ing you why
A Reebok ad but really it's necessary
Not even joking it's really a nothing I said that
I need it and I know that I want it
Creeped into an exit, He'll have it for breakfast
Said call on your knees and tasted the fresh-estI like you like girls
Not-ell-ing you why
A Reebok ad for scabby Nikes
An interest in violence
He's tickling your best friend
while tickling your girlfriend
but really it's ordinaryNot even joking it's really a nothing I said that
I need it and I know that I want it
Creeped into an exit, He'll have it for breakfast (x2)
Said call on your knees and tasted the fresh-estThe fact that he was shitty
He's just a can't to see
Waiting two miles away (x3)
Everything seems okThe fact that he was shitty
He's just a can't to see
Got teeth when you want it
I know that I want itWhat did you mutter
While caught fucking butter
Sucking the content
of a cows udder
Glass bottom goats milk (x2)
Feta cheese string-fello
Mentholic aubergine
I'm wearing paprikaThe fact that he was shitty
He's just a can't to see
Waiting two miles away (x2)
Everything seems okLike you like girls
In which you under age boys

In which you call in a file
Say say say, Call in a file
Say say say. In through an exit
he'll have it for breakfast
Then call on your knees and tasted the fresh-estThe fact that he was shitty
He's just a can't to see
Waiting two miles away (x2)
Everything seems okPetit pois, Petit pois, Petit pois , Petit pois (x16)
