Hang With the Devil

Wilson

Never a way to shake it shake it off
Feed it to me Ill take it take it all
The more that you give the more that I take.
The faster you go the more that Hell breaks
You know I'm on my way to hang with the devil
Can't get away from the way you tempt me
Hang with the devil, won't be satisfied until it kills me
Show me your teeth and sink em sink em in
Biting the hand that leads them lead me in
With one foot in the grave, you're gonna leave me where I'll lay
You know I'm on my way to hang with the devil
Can't get away from the way you tempt me
Hang with the devil, won't be satisfied until it kills me
On my way back down
No there's no way out.
The more you give it, the more I take it
On my way back down
One foot in the grave
You know I'm on my way to hang with the devil
Can't get away from the way you tempt me
Hang with the devil, won't be satisfied until it kills me
