## Elkie Brooks

Long ago, and so far away  
I fell in love with you before the second show  
Your guitar, it sounds so sweet and clear  
But you're not really here  
It's just the radio  
Don't you remember you told me you loved me baby?  
Said you'd be coming back this way again baby  
And baby, baby, baby, baby, oh baby  
I love you, I really do  
Loneliness is such a sad affair  
And I can hardly wait to sleep with you again  
What to say, to make you come back again?  
Come back and play your sad guitar  
Don't you remember you told me you loved me baby?  
Said you'd be coming back this way again baby  
Oh baby, baby, baby, baby, oh baby  
I love you, I really do  
Oh don't you remember you told me you loved me baby?  
Said you'd be coming back this way again baby  
Baby, baby, baby, baby, oh baby  
I love you, I really do
