

Ordinary World

Green Day

{ Verse-1 }

Where can I find the city of shining lights

In an ordinary world ?

How can I leave a baby treasure behind

In an ordinary world? { chorus }

Maybe I don't have much

But what we have is more than enough

Ordinary world { Verse-2 }

What would you wish if you saw a shooting star

In an ordinary world?

I walked to the end of the earth and the fire

In an ordinary world... { chorus }

Maybe I don't have much

But what we have is more than enough

Ordinary world...hmm hmm hmm hmm hmm { outro }

What would you wish if you saw a shooting star

In an ordinary world?
