

# Purple Lamborghini (feat. Rick Ross)

Skrillex

Biggest boss and I been the trillest  
I'm a bigger problem when I click with Skrillex  
Murder on my mind, it's time to pray to God  
My revolver is not religious, the revolution's born  
You wanna know my name then go and tell the Sarg  
You wanna know my gang: Suicide Squad  
Pistol on my waist, I might make a mistake  
Dead shot, head shot, oh my god, am I crazy?  
Drugs every corner, this is Gotham City  
Killer Croc came to kidnap you, to cut out your kidney  
Ain't no mercy, got that purple Lamborghini lurkin'  
Rozay, don't you know that pussy worth it  
Flooded Rolex at the Grammy awards  
They still sellin' dope, that's those Miami boys  
Killers everywhere, it ain't no place to run  
Forgive me for my wrongs, I have just begun  
Ain't no mercy, a-ain't no mercy  
Got that purple Lamborghini lurkin'  
Ain't no mercy, a-ain't no mercy  
Got that purple Lamborghini lurkin (Rozay!) Don't be beggin' for your life cause that's a lost cause  
High stakes, body armor, suicide boy  
There's a time for games and there's a time to kill  
Make up your mind baby cause the time is here  
Capital murder, capital lettuce  
Yeah she catchin' my vibe but can't fathom my cheddar  
Need a couple gang members for these new endeavors  
From this point on anything we do, we do together  
Body on the corner, million in the trunk  
Seven figures, I will spend that every other month  
Killers on the corner, talons in the clip  
Build a palace out in Paris just to fill with bitches  
Say my name and I'm coming with the gun squad  
Everybody runnin', homie, there's only one God  
Cocaine, white Ferrari, I'm in the fast lane  
Every day was life and death, that's when the cash came  
Count money, drug residue even blood on it  
He had a trap 'til I put my cuz on it  
Kickin' in the dope boy, Suicide Squad  
Needle in my arm so I'm do or die for it  
Ain't no mercy, a-ain't no mercy  
Got that purple Lamborghini lurkin'

Ain't no mercy, a-ain't no mercy  
Got that purple Lamborghini lurkin', RozayPower  
Greed  
Devious  
Needs  
Highstakes  
(Cash money)  
Dope boy  
(Rap money)Forgive me for my wrongs, I have just begun
