

# China Girl

ST\*RMAN

I couldn't escape this feeling  
With my China girl  
I'm just a wreck without  
My little China girlI'd hear her heart beating  
Loud as thunder  
Saw the stars crashingI'm a mess without  
My China girl  
Wake up mornings  
There's no China girlI'd hear hearts beating  
Loud as thunder  
I'd see stars crashing downI'd feel tragic  
Like I was Marlon Brando  
When I'd look at my China girl  
I could pretend that nothing  
Really meant too much  
When I'd look at my China girlI'd stumble into town  
Just like a sacred cow  
Visions of swastikas in my head  
And plans for everyone  
It's in the white of my eyesMy little China girl  
You shouldn't mess with me  
I'll ruin everything you areI'll give you television  
I'll give you eyes of blue  
I'll give you men  
Who want to rule the worldAnd when I get excited  
My little China girl says  
"Oh, Jimmy, just you shut your mouth"  
She says, "Shh"
