

Grey

Ani DiFranco

The sky is grey
The sand is grey
And the ocean is grey And I feel right at home
In this stunning monochrome
Alone in my way I smoke and I drink
And every time I blink
I have a tiny dream But as bad as I am
I'm proud of the fact
That I'm worse than I seem What kind of paradise
Am I looking for?
I've got everything I want And still I want more
Maybe some tiny shiny key
Will wash up on the shore You walk through my walls
Like a ghost on TV
You penetrate me And my little pink heart
Is on its little brown raft
Floating out to sea And what can I say
But I'm wired this way
And you're wired to me And what can I do
But wallow in you
Unintentionally What kind of paradise
Am I looking for?
I've got everything I want And still I want more
Maybe some tiny shiny key
Will wash up on the shore Regretfully
I guess I've only got three
Simple things to say Why me?
Why this now?
Why this way? With overtones ringing
And undertows
Pulling away Under a sky that is grey
On sand that is grey
By an ocean that's grey What kind of paradise
Am I looking for?
I've got everything I want And still I want more
Maybe some tiny shiny key
Will wash up on the shore
