Hey, Western Union Man

Jerry Butler

Oh, Western Union man send a telegram to my baby
Send a telegram, send a telegram, oh
Send a telegram to my baby
This is what I want you to sayI want you to tell her that I'm all alone
I tried to call her on the phone
Tell her I'm in misery and think she's avoiding me
And if the telegram don't do
Send a box of candy too an maybe some flowersTell her that I miss her for hours and hours
Send a telegram, send a telegram
Hurry up, send a telegram, man, to my baby
Do you hear what I say?Oh, Western Union man, send a telegram
Oh, send a telegram to my baby
Western Union man, hey, send a telegram, oh
Send a telegram, send a telegram, oh
Send a telegram, man, to my baby
This is what I want you to doListen, tell me, have you got a boy you can send?
This is what I want him to do
Put him on his bike right away
See if he can get my message through
Maybe tomorrow but mail it right awayI want the girl to know that I missed her
Something like yesterday
Send a telegram, send a telegram, oh
Send a telegram, man, to my baby
Do you hear what I say?Oh Western Union man why don't you send a telegram?
Well send a telegram to my baby
Western Union man, send a telegram
Oh send a, send a telegram, send it
Send it, send it, send it, right on to my baby
Do you hear what I say?Hey Western Union man, send a telegram, oh
Send a telegram to my baby, hey
