

# Differently

Neil Young

Wish you told me by and by  
That my life would come to this  
That I'd have to find a way  
To let things go  
That my friends would turn to foes  
And my love would come to blows  
Then I would have done some things  
DifferentlyDifferently  
I would ask you out every night  
Differently  
And I would make you feel so good  
Differently  
And appreciate the things  
That you bring to me babe  
Differently  
Oh yes I would, oh yeahYeah, I know you tried and tried  
But your signal, I just missed  
When you said  
My little girl would soon be gone  
Yes, I didn't hear you then  
And it might be too late now  
That's another thing I'd do  
DifferentlyDifferently  
Like trying to make you  
Feel loved every day  
Differently  
And saying little things  
To let you know how I feel  
Differently  
Yes, I can hear your  
Young voice calling me babe  
Differently  
Oh yes I canWhen I'm away I call you up  
And you don't seem  
To miss me as much  
But I know our love  
Is still there in your heart  
Just differentlyDifferently  
Oh yes, I can hear your

Young voice calling me babe  
Differently  
Oh yes I can  
Differently  
I'd appreciate the things that you  
Bring to me babe, yes I would  
Differently  
Oh come on back to me babe  
Bring your love back to me  
Differently  
Oh yeah, I need your love  
I need your love  
Differently  
Today is a brand new day, yes it is  
Differently  
Got to get your love back babe  
Come on now, bring it back to me  
Differently  
Turn it around babe  
Turn it around and bring it back  
Differently  
Yeah, yeah, oh yeah  
Got to get your love back  
Come on babe  
Differently  
Yeah, I can hear your  
Young voice calling me babe  
Differently  
Come on back to me, come on back  
Yeah, yeah, turn it around  
Differently  
Oh yes I can, yes I can  
Differently
