Houston, We Have a Problem

Lonely Kings

Before I commit To satisfy, a narcissist And I swear I'd better choose To travel time Or be abused But you've never been good enough No they never said goodbye to you But you've never been good enough No, you've never been. Before I explain A bitter truth still remains, All your feats, your chemicals Will always be So minimal No, you've never been All alone by yourself. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
