Crawl

Black Country Communion

Out there you're gotta walk so proud
You say you wanna leave this crowd
Today, a shot away, you slip
Seems like you're gonna lose your gripInvisible, invisibleYou live and you will die, so stoned
And still you wonder why, aloneSo fake, no mercy
You fall
You break, no pity
You crawl
So fake, no mercy
You fall
You break, no pity
You crawlA wreck, a tragedy, a sign
So sad the memory, redline
Too late to build a bridge on trust
I see the gold has turned to dustInvisible, invisibleYou live and you will die, so stoned
And still you wonder why, aloneSo fake, no mercy
You fall
You break, no pity
You crawl
So fake, no mercy
You fall
You break, no pity
You crawl
