

# Nightmare Zone

## Alien Sex Fiend

Living in a nightmare zone  
Wherever I lay my hat  
That's my home, yeah! I'm a living in the twilight zone  
They read my mail  
And they tap my phone why-why-why-yeah! I'm a living?  
I'm a livin'  
I'm a living in a nightmare zone! Living in the danger zone  
They took my cat  
Now I'm on my own, yes they did! I'm living in a nightmare zone  
The moon is full  
And I dream alone, woo! Well I've had enough anyway  
I'm a leavin' (aagh)  
I'm a leaving  
I'm a leavin' (aagh)  
I'm a leaving this here nightmare zone! Aagh! I'm a leaving  
I was thinking of going to live somewhere else anyway  
(I'm leaving!)  
I'm sick 'n' tired of living in this bloody quandary  
Every day someone's lookin' through ma letterbox  
(I'm leaving!)  
Or bangin' on ma door!  
Bangin' on ma door!  
They won't leave me alone! Nightmare zone  
(Aagh)  
Nightmare zone  
(Aagh)  
Nightmare zone  
(Aagh)  
Nightmare zoneThey even took my cat  
Nightmare zone  
They won't leave me alone  
Nightmare zone  
Nightmare zoneBangin' on my door  
Nightmare zone  
They won't leave me alone  
Nightmare zone  
Someone's ringin' on ma telephone  
Nightmare zone  
I'm leaving

I gotta leave this nightmare zone  
I gotta leave!  
(I'm leaving)  
Leave!  
(I'm leaving)I believe I'm living in a nightmare zone  
(Oh oh oh oh oh)  
I think I'm growing to like it!  
I think I'm beginning to understand it!  
Nightmare Zone  
Nightmare Zone  
Nightmare Zone  
Nightmare Zone
