4 4 in my hand wit a snipe I'm armed Russian
Dro you from ATL nigga how you talk Russian?
Slugs start to bustin' and my ammo got that serial
Catch a nigga slippin' hit him in the equilibrium
SS Impala, shawty I'm darin' 'em
Cartier's and Prada, shawty I'm killin' 'em
Look at my chain and my ice look triple blue
You poppin' these nigga I'mma bring the triple through
And bitches be up on the block like, "I'm sick of you"
And I'm like, "Bitch, please I'm dickin' you"
The 'vert Flipper blue the chirp bigger too
Hey picked out for a Bentley, she a mini blue
Dropped in wit a bitch named Missy Pooh
Trunk bang and this the only thing she listen to Dro
Young Dro I ain't playin' wit it

 Hey, move through y'all tryna see how to do y'all

 My bitches bring blocks only thing I do is chirp 'em

 Drop twerk 'em ostrich on my Chevy car interior
 Plus I'm on that Remy so that shit make me imperial
 Ridin' down, be alone, no damage, I'm serious
 Plus I won't let a nigga have it I'm delirious
 I'mma blast period, don't question me don't mess wit me
 Blue ice blue arm Superman recipe
 Plus I'm in that brown Regal same color Nestle
 Niggaz see me when I'm in the trey I be in tressa trees
 Take the wrong step to me and death'll be yo destiny
 I know how to do it so ain't nobody arrestin' me

 Y'all niggaz fugazzin' it
 Diamonds look like kool aid in it
 Different flavor Cartier wit it
 Big paint bitch play wit it
 Hey, summer time, look at my charm
 I'm iced out baby how can I be warm?
 Watermelon Nova my trunk on Vietnam
 TV's in the horn watchin' Tip on VH-1
 26's son wit a Robocop gun
 I'll blast a nigga from the ground to the sun
 The sound of the gun that's when Young Dro chalkin' it
 Grape linen grape gator fruit, fruit walkin' it
 Know a nigga bossin' it don't make me start chalkin' it
 I know how to shine 'cause my arm be on frostbit
 Done son no shit my rides look like a parrot do
 Know a nigga healthy 'cause my Cutlass look like carrot juice
 Catch me when I'm mashin' through I'm froze up, I'm rolled up
 Young Dro yeah, but I am got damn Dro'ed up
 Bout to put them doors up and crank that damn rose up
 Four fifteen, I'm bout to wake these damn hoes up, Dro
 Young Dro I ain't playin' wit it
 Trunk got that Jackie Chan in it

Sound like it got a band in it
I'm the freshest in the Lamb' wit it
Y'all niggaz fugazzin' it
Diamonds look like kool aid in it
Different flavor Cartier wit it
Big paint bitch play wit it
