Heroin(E)

Rave The Reqviem

Hurt me
Treat me rough
Life is overrated
But death isn't punishment enough

I wanna suffer
I wanna feel like shit
I wanna get soaked in the downpour of tears
And filthy spit

There is lostmord and filthy sex
In the gospels we write
Let's pray the gods below
Bleach our blackened hearts into white

BE MY JUDAS KISS TONIGHT
I'LL BE YOUR ANTICHRIST
TEAR MY HEART ASUNDER AND LET GO

DESPERATE, FEEBLE, DOWN AND LOW
I WON'T GO DOWN THAT ROAD
ONE LAST FIX AND I'M FOREVER YOURS

Open up
Fuck the pain away
Even sinners kneel before the hope of another day

So bleed it out
Serve what we deserve
No holes are left untouched
All prayers left unheard
