

# Ship of Fools

Yngwie Malmsteen

When the rats are bailing out  
And you are just signing on  
Then you turned and walked away  
There is no love lost here, my friend But you have made a great mistake  
You ate the hook, the sink and bait  
You can't get out, it's much too late The ship of fools keep sailing on  
The ship of fools keep sailing on  
And on and on and on I can be merciless for sure  
You'll sail for many moons  
Can't believe you lost your mind  
I'll watch you falling down again You have been living in a dream  
And I can hear the same old theme  
But nothing's ever what it seems The ship of fools keep sailing on  
The ship of fools keep sailing on  
The ship of fools keep sailing on  
And on and on and on The truth is always hard to face  
Especially when you are in that place  
Like the ship of fools The ship of fools keep sailing on  
The ship of fools keep sailing on  
And on and on and on The ship of fools keep sailing on  
And on and on and on
