Burn

Sister Machine Gun

I look at you and then I see your fire
And I'm thinking about desire
Yes, I'm thinking about desire
Telling me the things you try to hide
And I'm burning up inside
Oh how I'm burning up inside
When I think about the first time that I saw your face
I never felt this way
Oh lord no I never felt this way
And now I'm wishing that you feel the same
And if there's anyway
I'll get down on my knees and pray

You're like a burning flame
And I'll never be the same
No, I'll never be the same

What kind of fool am I
To want your body next to mine
I want your body next to mine
I need you any time
And I'm breaking down inside
Oh Lord I'm breaking down inside
You cover me with all your hopeless little fantasies
I never had before
No, I never had before
And now I'm living in my own reality
Cause of the things you did to me
Oh, the things you did to me
