Field of Innocence

Evanescence

I still remember the world
From the eyes of a child
Slowly those feelings
Were clouded by what I know nowWhere has my heart gone?
An uneven trade for the real world
Oh, I, I want to go back to
Believing in everything and knowing nothing at allI still remember the sun
Always warm up my back
Somehow it seems colder nowWhere has my heart gone?
Trapped in the eyes of a stranger
I want to go back to
Believe in everythingLesu, Rex admirabilis
Et triumphator nobilis
Dulcedo ineffabilis
Totus desiderabilisAs the years pass by before my face
As wars rage before me
Finding myself in these last days of existence
This parasite inside me, I forced it out
In the darkness of the storm lies an evil, but it's meWhere has my heart gone?
An uneven trade for the real world
Oh, I, I want to go back to
Believing in everythingOh, where, where has my heart gone?
Trapped in the eyes of a stranger
Oh, I, I want to go back to
Believing in everythingI still remember
