Miss Understanding

Sam Brown

There will never be another one who gets me like you do
You catch my drift, you fly my flag, you wrote every page of my book, my dear
Yeah, oh girl, if I had a dollar for every time you knew (Mmhmm)
Then I'd be the richest man and buy the world for youMiss, Miss Understanding
Take me by the hand and
Let's ride out each other's sunsets
Miss, Miss Understanding
You know what I'm thinking
Stand by me forevermore
Miss Understanding
Miss Understanding
Miss UnderstandingWe're just like Yin and Yang
It's black and white you know this is right
You're the last puzzle piece to me, I'm done 100% complete
Yeah, oh girl, if I had a dollar for every time you knew (Ah-ha)
Then I'd be the richest man and buy the world for youMiss, Miss Understanding
Take me by the hand and
Let's ride out each other's sunsets
Miss, Miss Understanding
You know what I'm thinking
Stand by me forevermore
Miss UnderstandingOh girl, if I had a dollar for every time you knew
Then I'd be the richest man and buy the world for you, yeahMiss, Miss Understanding
Take me by the hand and
Let's ride out each other's sunsets
Miss, Miss Understanding
You know what I'm thinking
Stand by me forevermore
Miss Understanding
Miss Understanding
Miss Understanding
Miss Understanding
Miss Understanding
Miss Understanding
Miss Understanding
