In The Shadow

Evans Blue

When all you have are memories
No thoughts are left behind
When all is lost but the little things
You fake to keep you high
When all along
All you want is someone
To make up your mind
It's all you want
It's all I want
Fake, hating, taking, this feeling

Life isn't what it seems to be
The echo in my mind
Life, is it hard for you to breathe
Live in the shadow
Life, is it hard for you to feed
The demon trapped inside
Do you find it far too easy
Living in the shadow

Confusing what is meant to be
Believe in what you are
Searching for the enemy
Caged inside your heart
It's all you want
It's all I want
