

# My Insatiable One

## Suede

In the high life, I've got this feeling, now  
I've got this horrible feeling  
On the escalator they took it out on him  
As the ridiculous world went, ohOh, he is gone  
He's my insatiable one  
Oh, he is gone  
He's my insatiable one, ohOn the high wire, dressed in a leotard  
There wobbles one hell of a retard  
On the escalator we shit paracetamol  
As the ridiculous world goes byOh, he is gone  
He's my insatiable one  
Oh, he is gone  
He's my insatiable one, ohOh, he is gone  
He's my insatiable one  
Oh, he is gone  
And he was my inflatable one, oh
