

The Day I Tried To Live

Soundgarden

I woke the same as any other day
Except a voice was in my head
It said seize the day, pull the trigger, drop the blade
And watch the rolling headsThe day I tried to live
I stole a thousand beggar's change
And gave it to the richThe day I tried to win
I dangled from the power lines
And let the martyrs stretch yeahSinging, one more time around
Might do it
One more time around
Might make it
One more time around
Might do it
One more time around
The day I tried to liveWords would you say
Never seem to live up to the ones inside your head
The lives we make
Never seem to ever get us anywhere but deadThe day I tried to live
I wallowed in the blood and mud with all the other pigsSinging, one more time around
Might do it
One more time around
Might make it
One more time around
Might do it
One more time around
The day I tried to live, liveI triedI woke the same as any other day you know
I should have stayed in bedThe day I tried to win
I walled in the blood and mud with all the other pigs
And I learned that I was a liar (one more time around)
I learned that I was a liar (one more time around)
I learned that I was a liar (one more time around)
I learned that I was a liar (one more time around)Singing one more time around
(Might do it)
One more time around
(Might make it)One more time around
(Might do it)
One more time around (might make it)
The day I tried to live, liveJust like you
Just like you

One more time around
One more time around
