

My Side

Cozz

yea

now-a days a Nigga lookin like a living blessing

I'm living better hoes are getting clever

better hide your wallet

stash it and watch it

got two to smash in the stash

got her hands in your bags

causing weight loss to your pockets I guess

now-a days I'm looking like a target

fuck a blessing

I keep the Bible by my side

fuck me on tour

I got me a ride . or die

but I cannot trust

eyes line in sight

I'm loving in lust

she loving it to

but I cannot love

I'm in love with the music

you know what I do

I do it for me, I do for the team
