

Feedback

Janet Jackson

Light Skin, Dark Skin, My Asian Persuasion,
I Got them all that's why these girls out here hatin
Cause I'm sexy

Do you like my style
Yeah that sexy sexy sexy
Like I rock it down
Yeah that sexy sexy sexy
You can work me out
Yeah that sexy sexy sexy
Let me show you how
Yeah that sexy sexy sexy

So here's my demonstration
A peep show
Tonight my body's an exhibition baby
Though it's on display don't be scared to
Touch It, It said so
So come and get it babe

Strum me like a guitar blow out my amplifier
When you hear some feedback keep going take it higher
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh

Light Skin, Dark Skin, My Asian Persuasion,
I Got them all that's why these girls out here hatin
Cause I'm sexy

Do you like my style
Yeah that sexy sexy sexy
Like I rock it down
Yeah that sexy sexy sexy
You can work me out

Yeah that sexy sexy sexy
Let me show you how
Yeah that sexy sexy sexy

Before we go any more further
Let me put you up on this secret babe
I got novelties so appeasing
Feed my fetish please
Satisfy me babe

Strum me like a guitar blow out my amplifier
When you hear some feedback keep going take it higher
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh

You like it how I work my spine
Got you feeling all hypnotized (hypnotized)
I gotta body like a CL5
Make a nigger wanna test drive but I'm so on fire
Flyer than a pelican find another chick better than I don't see her
Cause my swag is serious
Something heavy like a first day period

Strum me like a guitar blow out my amplifier
When you hear some feedback keep going take it higher
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh

Strum me like a guitar blow out my amplifier
When you hear some feedback keep going take it higher
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh
Feedback feedback oh
Crank it up give it to me come on
Crank it up give it to me come on
I'm gonna feedback feedback oh

Feedback feedback oh
