

# Fall From Grace

[\*\*Amanda Marshall\*\*](#)

Lost inside this angeltown  
Lost like I could not be found  
No connections of the heart  
Love was glass that broke apart  
Gimme faith in dreams  
And someone to hold  
Gimme love 'cause I'm out here in the cold  
There are no secrets  
No angels at my doorAnd oh, when you touch my hand  
I fall from grace  
And oh, when you reach for me  
I fall from graceOn a steeltown boulevard  
Life's a promise that doesn't last  
Resurrections of the past  
Children come and are gone so fast  
So gimme faith in love Baby tonight  
Gimme arms to hold you here so tight  
There are no secrets  
No angels at my doorAnd oh, when you touch my hand  
I fall from grace  
And oh, when you reach for me  
I fall from grace
