

Your Wonderful Love

The Temptations

Just for your
Wonderful love
Wonderful love
I'd give anything
In this whole wide world
Just believe in me
Please have a little faith in me
Darling I'll never
I'll never let you down
Now that I have

Your wonderful love
Your wonderful love
Your wonderful love
Your wonderful love

Darling darling darling darling
Im so happy
But I cant tell my friends that
You're my girl
Im so proud
Yes so proud
I just wanna fall on my knees and cry
Cry out loud
That I have

Your wonderful love
Your wonderful love
Your wonderful love
Your wonderful love

(I'm so glad, I'm so glad, I'm so glad, I'm so glad)
