Show Off (feat. A.X.)

SWV

Come and talk to me, get on your grown tip
Make me feel like you really want it
If you want it, then you can get it
Let me put it on you in this song, come on
I'm weak, can't you see?
I've been fiending for love, I'm ready for ya
I'm on one so baby don't stop
Get it, get it
Oh, show off, show off
Baby show me how you do that
Show off, show off,
Baby show me how you do that
If I give you some of this good,
You better be good
Baby show me how you do that
I'm ready for your love
So baby don't stop, get it, get it
Come and talk to me, stop wastin' time
Get me while I'm in this vibe, this vibe
Got me feelin'
Like I don't wanna go home, alone
If you feel me, let me know
I've been fiending for love, I'm ready for ya
I'm on one so baby don't stop
Get it, get it
Oh, show off, show off
Baby show me how you do that
Show off, show off,
Baby show me how you do that
If I give you some of this good,
You better be good
Baby show me how you do that
I'm ready for your love
So baby don't stop, get it, get it
Show off, it's you I blow my dough off
Ride 'round, tryna hit a lick to make more off
'Bout to hit the streets, Lamborghini's with the door off
I mean door up, girl you know what?
Come to my crib, baby I stay on the beach

She rockin' bikinis, yea, she enjoyin' the heat
Miami Heat, triple A across the street
I'm showin' off, so we eatin' at Felipe
Party party party, I just wanna freak your body
I just wanna push it like your body a Bugatti
I've been knowin' you 'bout a week and baby girl you got me weak
And I'm so into you 'cause you're the one, you're my Lelee
Peach Ciroc 'cause I know you're with it
Two shots will make you admit it
A.X. be showin' off, you goin' off on how I get it
You're my baby, let me babysit it
Rock your body, every day you get it
Watch my love rain down on you with the candles litted
Oh, show off, show off
Baby show me how you do that
Show off, show off,
Baby show me how you do that
If I give you some of this good,
You better be good
Baby show me how you do that
I'm ready for your love
So baby don't stop, get it, get it
