

# Back For A Taste Of Your Love

[Jonny Lang](#)

[Incomprehensible] Here I come I'm coming for a taste of your love  
Here I come, baby because I like what you do for me  
Little by little, bit by bit I'm falling in love all over again Here I come I'm coming for a taste of your love  
Here I come now, baby just like I did before  
And I'm coming back 'cause this time I'm sure  
It takes two, to make it and I know you can take it, again Here I come I'm back for a taste of your love  
Here I come I'm coming back for you now  
Guitar What you've been just come down on me  
You've got the lock, pretty baby but I've got the key  
Little by little, bit by bit I'm falling in love all over again Here I come I'm coming for a taste of your love  
Here I come now baby I'm back for a taste of your love  
You know, I'm coming back for a taste of your love  
Coming back, oh baby you know, I've got to come back now baby
