Kiss You Better

MaxÃ¯mo Park

I know the night has reached that stage again,
Were I never want to see my home,
I know that you'll provide the brains,
But who'll provide the brawn,
And if it comes down to me and you,
You know id kiss you better,
I kept the message you sent me

There with me,
If you're scared,
My beliefs make me bound

I think its time we compiled a list,
Of places where we shouldn't go,
Now is not the time to lose your voice,
Everyone should have a choice,
And if you should ever fall,
You know id kiss you better,
I kept the letters that you sent me

Close your eyes,
If you're scared,
My beliefs will make you drown

You, are you so scared that your just gonna let it happen
You, are you so scared that your just gonna let it happen
You, are you so scared that your just gonna let it happen
You, are you so scared that your just gonna let it happen
