

Everything's Coming Our Way

[Santana](#)

Open your eyes, let it begin with me
Brand new day, fresh new way to live
The mornin' is callin'
Walk with me into the sun Everything is comin' our way
Everything is comin' our way
Everything is comin' our way Here's my hand
Reaching out to you
Take it, darlin'
And lead me on, yeah Everything is comin' our way
Everything is comin' our way
Everything is comin' our way Everything is comin' our way
Everything is comin' our way
Everything is comin' our way I can feel it in my bones
No man stands alone
Sister, brother
From all the same seed Everything is comin' our way
Everything is comin' our way
Everything is comin' our way
