

Elizabeth, You Were Born to Play That Part

[Ryan Adams](#)

For you, I'd do anything
Tear myself in two
Just to hear you breathe Calculate the changes that in time
Turn to nothing and then multiply
Yourself by my pain Over you, is where I stand
I wish, I knew why
But I don't understand Waiting on someone that just won't show
And every night it seems like there's no tomorrow
Not that you will ever know Wherever you are I hope you're happy now
I'm caught in a dream and I can't get out
I'm caught in a dream, I'm caught in an endless dream Wherever you are I hope you're happy now
I'm caught in a dream and I can't get out
I'm caught in an endless dream I'm not strong enough to let you go
And I have tried everything but that oh, Elizabeth
