

# Don't Dream It's Over (Extended Version)

## Crowded House

There is freedom within, there is freedom without  
Try to catch the deluge in a paper cup  
There's a battle ahead, many battles are lost  
But you'll never see the end of the road  
While you're traveling with meHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't winNow I'm towing my car, there's a hole in the roof  
My possessions are causing me suspicion but there's no proof  
In the paper today tales of war and of waste  
But you turn right over to the T.V. pageHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't winNow I'm walking again to the beat of a drum  
And I'm counting the steps to the door of your heart  
Only shadows ahead barely clearing the roof  
Get to know the feeling of liberation and releaseHey now, hey now  
Don't dream it's over  
Hey now, hey now  
When the world comes in  
They come, they come  
To build a wall between us  
We know they won't winDon't let them win  
(Hey now, hey now, hey now, hey now)  
Hey now, hey now  
Don't let them win  
(They come, they come)  
Don't let them win  
(Hey now, hey now, hey now, hey now)
