Trojans

Atlas Genius

Take it off

Take it in

Take off all the thoughts of what we've been

Take a look

Hesitate

Take a picture you could never recreateWrite a song

Make a note

For the lump that sits inside your throat

Change the locks, change the scene

Change it all but can't change what we've been Your trojan's in my head

Your trojan's in my head

Your trojan's in my headIt's ok if it's gone

The thoughts that you had that it was the one

And oh what is left?

For all those times is that what you get?

Oh regardless

The walls get painted anyway

Oh you're guarding

The gates, but it all got awayYour trojan's in my head

Your trojan's in my headYour trojan's in my head

Your trojan's in my head

Your trojan's in my head

Your trojan's in my headTake it off

Take it in

Take off all the thoughts of what we've been

Take a look

Hesitate

Take a picture you could never recreate

Write a song

Make a note

For the lump that sits inside your throat

Change the locks, change the scene

Change it all but can't change what we've beenYour trojan's in my head

Your trojan's in my headTake it off

Take it in

Off all the thoughts of what we've been

Take off all the thoughts of what we've been
