Do What You Do

Scarface

[B Legit]
I flip make hits and stick like peanut butter
Five g's to the homie my money he didn't stutter
The gutter with the gats fuck that we need the lucho
It ain't no in between such things as being neutral
We shoot y'all answering to me if it's needed
Catch you in the bucket and fuck it we goin' feed it
We bleed it A K spray and nine milla
You fucking with a killa for scrilla
Money want to dealer
Peel 'em from the back and fact, you're ass out
Throw you in the trunk, we bump and mash out
We blast out and get the fuck outta dodge
And leave your body corpse parked at the Travel lodge
You can't reason with a fool with guns and no brains
Thrown off your balcony get stoned and let's remain
We stressed main, paper come up short
Plus this bitch with my baby trying to take me to court
I need a new quarter, plus my screws is loose
Making niggas want to pour shit down like orange juice
I one two, and slap the fuck outta you
So go on about my business bitch, and do what you do
You like to run shit
Do what you do
You fuck with powder bitch?
Hey yo, do what you do
You turn dyke too
Yeah, do what you do
But if it's fuck me bitch, then it's fuck you too
If you build a heist
Yo, do what you do
You like to talk the vice?
Do what you do
Speakin on my crew
Nigga, do what you do
But if it's fuck me bitch, then it's fuck you too[Bushwick Bill]
Me and two freaks in be-Legit's back seat
F-you-see-k-i-n-g
I got clunkers, 'cause you know big Chuck like em plump

Sippin hurricane bumpin slurricane 'cause it thumps
In my trunk my pistol grip pump at all times
Kryptonite got me blowed 'cause I hit it five times
I got condom on my dick, but my mind is on scrilla
Bitches just respect this nigga Chuck and I'ma killa
Me and my nigga, four hoes, weed, and liquor
Headed to the boat to freak these bitches on the river
And since I'm from the south these hoes showin me love
And beis from the west, he really don't give a fuck
Twenty minutes later, all hell broke loose
Bitches sucking dick and licking up nut juice
One bitch said she like to eat pussy too
She looked at me, I said shit, bitch, do what you do
Bitch you like sucking dick?
Do what you do
Homie, you like to eat pussy?
Do what you do
Nigga you like being broke?
Do what you do
Bitch you want to fuck me, I want to fuck you too
Nigga you like stealing cars?
Do what you do
Nigga you like bein 'hind bars?
Do what you do
Nigga you don't give a fuck about shit?
Do what you do
Nigga it's fuck Bushwick, well fuck you too
