

Find The Real

Alter Bridge

Stuck in the middle
I burrow inside
Back to the cradle
Away from the burdens
Of all my crimes
Before it's fatalThe past has found me
The truth come out
Always remember
With no place to fall
But straight down
I must surrenderWell it seems I've finally
Thought of everything
I want to love
I want to feel
Find peace
Find the realThere's a face I put on
All my life
The face of an angel
I look in the mirror
Only to find
The face of a strangerAnd all that I've taken
I hunger for more
Cause I'm selfish
And all I'm left with
Is a crown of thorns
And I'm helplessWell it seems I've finally
Thought of everything
I want to love
I want to feel
Find peace
Find the realI'll trade these lies for something right
I will kill what hurts with something pure
I will be redeemed so I can breathe againWell it seems I've finally
Thought of everything
I want to love
I want to feel
Find peace
Find the real
