

# Money Keep Callin' (feat. Big Ham)

## Antwone Legend

Hook1

That money keep callin  
That money keep callin  
That money keep callin  
My phone  
That money keep callin  
That money want leave me alone  
Tha money  
That money keep callin my phone  
That money keep callin  
That money want leave me alone  
That money that money  
Keep callin my phone  
That money that money  
want leave me alone  
That money keep callin  
That money keep callin my phone  
That money keep callin  
That money keep callin my phone

Verse 1 Antwone legend

Get it every minute  
Get it every second  
Grinding independent  
Success is where wer're  
Headed  
Phone rings coming back to back  
Ham scooped me up in the lac  
Doing shows in the cacalac  
Back pack full of loudpack  
Back back don't make yo boy blast  
First place never been last  
That money keep callin  
That money keep callin  
That money keep callin my phone  
Pull up we sitting on chrome  
Hundreds and fiftys and ones we on  
Niggas getting that money

Bad chick look like Buffy the body  
She a real hotti  
Shades on in the middle of the party  
Ten shots in  
I'm turnt up be drinking henn  
We trapping we grinding  
We get our shine on  
Kmoney done blew  
We selling out shows  
No genre done blew  
We selling out shows

Hook2  
That money keep callin  
That money keep callin  
That money keep callin  
My phone  
That money keep callin  
That money want leave me alone  
Tha money  
That money keep callin my phone  
That money keep callin  
That money want leave me alone  
That money that money  
Keep callin my phone  
That money that money  
want leave me alone  
That money keep callin  
That money keep callin my phone  
That money keep callin  
That money keep callin my phone

#### Verse 2 Big Ham

I stack it  
I stack it  
I stack it illesst  
I'm grinding  
I'm grinding  
I'm grinding winning  
Money keep callin my phone  
Want leave me alone  
I'm cooking the work  
And double the zones  
Money come fast but

Fam a turn faster  
And in this life I live  
I'm gonna see an early casket  
Ballin on the block since a lil basterd  
Running from the twelve when  
They bust him  
Where the stash at

Hook rpt half hook
