

# Back In Time

Vv Brown

I never knew a love could make me feel this way  
I'm praying that I'll see another light of day  
Because you got me falling on my beggin' knees  
I'm asking for a better explanation please

Te-e-e-e-ee-ell-a me

If you don't love me so  
Why won't you let me go  
I'm running out of time

Forever will I cry  
If you don't want me near  
Why won't you disappear

I'm hanging on to life  
Because you (shot me for sure)  
I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)

I didn't wanna (change my mind  
I went back in time)  
(Shot me for sure)

I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)  
I didn't wanna (change my mind  
I went back in time)

Why do you want to hurt me, I did nothing wrong  
(Why do you wanna hurt me I did nothing wrong)

I made a dedication to your heart so strong  
(I made a dedication to your heart so strong)  
Cuz when you said 'it's over' I could not believe  
(Cuz when you said 'it's over' I could not believe)  
So why you wanna stay around to torture me?

Te-e-e-e-ee-ell-a me

If you don't love me so  
Why won't you let me go  
I'm running out of time

Forever will I cry  
If you don't want me near  
Why won't you disappear  
I'm hanging on to life  
Because you (shot me for sure)

I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)  
I didn't wanna (change my mind  
I went back in time)  
(Shot me for sure)  
I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)  
I didn't wanna (change my mind  
I went back in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
B.A.C.K. Back (in time)  
Te-e-e-e-ee-ell-a  
(Shot me for sure)  
I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)  
I didn't wanna (change my mind  
I went back in time)  
(Shot me for sure)  
I didn't wanna (walk out the door)  
I'm living in the (thoughts of before)  
I didn't wanna (change my mind  
I went back in time)  
Te-e-e-e-ee-ell-a  
Te-e-e-e-ee-ell-a me
