Mountain

Emma Forman

Everything seems so over complicated
And I don't anticipate any improvement soon
I've been trying, really trying but the harder I try
the more spectacularly I failWon't ya help me out
Won't ya please help me out
Won't ya help me out
Won't ya please help me outtwo hundred miles from home and anything could go wrong
two thousand worries that I must overcome
A mountain of pressure that I must climb
ain't no guarantee I'll make it to the other sideWon't ya help me out
Won't ya please help me out
Won't ya help me out
Won't ya please help me outWon't ya help me to other side
Won't ya help me climb this mountainWon't ya help me out
Won't ya please help me out
Won't ya help me out
Won't ya please help me outWon't ya help out, won't ya help me out now
won't ya help out, won't ya help me out
won't ya help out, won't ya help me out
