

# Standin' In The Rain

## Electric Light Orchestra

Rain  
Rainy day  
Rainy day I'm standing in the rain  
I'm waiting all alone  
I'm so tired  
I wanna go home I'm standing in the rain  
Getting soaking wet  
I'm doing my best  
But what do I get? I'm standing in the rain  
Can't seem to get along  
People rushing by  
Wish they should hear the song Bye bye, I'm standing in the rain  
You know, it's streaming down on me  
Cats and dogs  
Hey, I wanna be free I'm standing in the rain  
Doing my thing  
I'm trying my best  
What does it bring? I'm standing in the rain  
Getting soaking wet  
I'm doing my best  
But what do it get? The good intentions and the pain  
I drowned now in the pouring rain  
I tried to be so good this time  
But here I am under the sky You know, I tried so hard, yeah The good intentions and the pain  
I drowned now in the pouring rain, rain
