Eye on You

Magnafux

I couldn't close my eyes, I stayed up all night
I thought of promises you gave me for life
Your words were racing through my head
Forever together
I just remembered that you swore you won't lie
'Cause you're in love again, there's nothing to hide
Of all the other ones you've had
Baby, you can't fool me
I take no prisoners, I have no demands
But baby, let me make you understand
I don't know what you did last night
Keep your secrets, maybe I'll keep mine
Watch your step, like I told you to
I'm keeping my eye on you, keeping my eye on you
You got the best of me, I think that's alright
But don't you mess with me, you'll never survive
'Cause there's a part of you I feel
That drives me crazy

Learned to trust myself and nobody else
It's in the way, you look at me I can tell
You try so hard to make me feel good
Baby, I don't buy it
I take no prisoners, I have no demands
But I don't want a lover second hand
I don't know what you did last night
Keep your secrets, maybe I'll keep mine
Watch your step, like I told you to
I'm keeping my eye on you, keeping my eye on you
I take no prisoners, I don't take a chance
I'd pull the trigger and you'd understand
I don't know what you did last night
Keep your secrets, maybe I'll keep mine
Watch your step, like I told you to
I'm keeping my eye on you, keeping my eye on you
I'm keeping my eye on you
