

# When I Grow Up

## Sammie

Boys call you sexy  
And you don't care what they say  
See every time you turn around  
They screaming your name

Boys call you sexy  
And you don't care what they say  
See every time you turn around  
They screaming your name

Now I've got a confession  
When I was young I wanted attention  
And I promised myself that I'd do anything  
Anything at all for them to notice me

But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say

You don't know what its like to be nameless  
Want them to know what your name is  
'Cause see when I was younger I would say

When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies

When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies

When I grow up  
Be on TV  
People know me  
Be on magazines

When I grow up  
Fresh and clean

Number one chick  
When I step out on the scene

Be careful what you wish for  
Cuz you just might get it  
You just might get it  
You just might get it

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it

They used to tell me I was silly  
Until I popped up on the TV  
I always wanted to be a superstar  
And knew that singing songs would get me this far

But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say

You don't know what its like to be nameless  
Want them to know what your name is  
'Cause see when I was younger I would say

When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies

When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies

When I grow up  
Be on TV  
People know me  
Be on magazines

When I grow up  
Fresh and clean  
Number one chick  
When I step out on the scene

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it

I see them staring at me  
Ooh I'm a trendsetter  
Yes this is true 'cause what I do  
No one can do it better

You can talk about me  
'Cause I'm a hot topic  
I see you watching me watching me  
And I know you want it, oh

When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies

When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies

When I grow up  
Be on TV  
People know me  
Be on magazines

When I grow up  
Fresh and clean  
Number one chick  
When I step out on the scene

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it

Be careful what you wish for

'Cause you just might get it  
You just might get it  
You just might get it

When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies

When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies

When I grow up  
Be on TV  
People know me  
Be on magazines

When I grow up  
Fresh and clean  
Number one chick  
When I step out on the scene

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it
