

# Wont'cha Come Home

Lloyd Price

Oh baby, please come home  
Won'tcha come home  
I'm sick and I'm all alone  
Won'tcha come home  
Oh, I love and miss you so  
Won'tcha come home  
How much you'll never know  
Won'tcha come home Whoa, I need you  
That's why I'm blue  
Come on home  
Won'tcha come home  
Come on home And I never thought I'd feel this way  
Won'tcha come home  
When you up and left that day  
Won'tcha come home  
But things haven't been the same  
Won'tcha come home  
All I ever hear is your name  
Won'tcha come home Whoa, I need you  
That's why I'm blue  
Come on home  
Won'tcha come home  
Come on home Whoa, I get so tired of bein' alone  
I can't even reach you by telephone  
Believe me baby, when I call on you  
I've got a whole lot of heartache from missing you  
Now tell me baby, how long  
Won'tcha come home  
And must I sing this song  
Won'tcha come home  
Oh, I must stop this third degree  
Won'tcha come home  
Honey, it's killing me  
Won'tcha come home Whoa, I need you  
That's why I'm blue  
Come on home  
Won'tcha come home  
Come on home I never thought I'd feel this way  
Won'tcha come home

When you up and left that day  
Won'tcha come home  
But things haven't been the same  
Won'tcha come home  
All I ever hear is your name  
Won'tcha come home Whoa, I need you  
That's why I'm blue  
Come on home  
Won'tcha come home  
Come on home Won'tcha come home  
Come on home  
Won'tcha come home  
Come on home  
Won'tcha come home  
Come on home
