I Know Only You

Benjamin Dube

I know only you
Without you I'm lost
No one knows me the way you do (Ã—2)

If I forsake your presence
Who else will I find
So glorious and unchanging
No one else.....(Ã—2)

Ngiza kuwe nkosi
Ngiza nguwe
Ngizithoba phambi kwakho ....(Ã—2)

You I know
And no one else
You alone I know

You I know
And no one else
You oh Lord I know

If I forsake your presence
Where else will I be
So glorious and unchanging
Oh where else

You I know
And no one else
You oh Lord I know
