

# I Know Only You

**Benjamin Dube**

I know only you  
Without you I'm lost  
No one knows me the way you do (Ã—2)

If I forsake your presence  
Who else will I find  
So glorious and unchanging  
No one else.....(Ã—2)

Ngiza kuwe nkosi  
Ngiza nguwe  
Ngizithoba phambi kwakho ....(Ã—2)

You I know  
And no one else  
You alone I know

You I know  
And no one else  
You oh Lord I know

If I forsake your presence  
Where else will I be  
So glorious and unchanging  
Oh where else

You I know  
And no one else  
You oh Lord I know
