

It's VABENE

Jordyn Taylor

Oh, oh, oh
All alone, by myself I was lonely
Far away from home, yeah!
Till the world opened up all around me
I'm just all it shows oh, oh Oh, and this angel, my angel
Came down and rescued me yeah
And this light keeps, keeps changing
And everything is going right for me
I'm smiling for once, I'm falling in love
And everyday is a good day!
I, I, I, I'm having such a good, good day
It's Vabene!
I, I, I, I'm having such a good, good day
And it's nothing that can break me up
I'm shining with my heart in
I'm dancing, going all the way
I, I, I, I'm having such a good, good day
It's Vabene! Now the clouds up above tell me nothing
I'm just opened inside!
Ever since you were here I got something
It's like I'm finally feeling the rush oh yeah! Cause this angel, my angel
Came down and showed me the way
And this light keeps, keeps changing
And everything is going perfectly, yeah
I'm smiling for once, I'm falling in love
And everyday is a good day!
I, I, I, I'm having such a good, good day
It's Vabene!
I, I, I, I'm having such a good, good day
And it's nothing that can break me up
I'm shining with my heart in
I'm dancing, going all the way
I, I, I, I'm having such a good, good day
It's Vabene! I'm waking up to love songs every day
I'm waking up to you, ohh
Just waking up to love songs every day
If I'm waking to you!
Oh yeah it's Vabene!
Oh yeah it's Vabene! I, I, I, I'm having such a good, good day

It's Vabene!

I, I, I, I'm having such a good, good day

And it's nothing that can break me up

I'm shining with my heart in

I'm dancing, going all the way

I, I, I, I'm having such a good, good day

It's Vabene!
