

I Only Want To Be With You

Me First and the Gimme Gimmes

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you've started something, oh, can't you see?
That ever since we met you've had a hold on me
It happens to be true, I only want to be with you It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Look, what has happened with just one kiss
I never knew that I could be in love like this
It's crazy but it's true, I only want to be with you You stopped and smiled at me
And asked if I'd care to dance
I fell into your open arms
And I didn't stand a chance
Now listen, honey I just want to be beside you everywhere
As long as we're together, honey, I don't care
'Cause you've started something, oh can't you see?
That ever since we met you've had a hold on me It happens to be true
I only want to be with you
No matter what you do
I only want to be with you
