

Voices In The Sky

Moody Blues

Bluebird flying high, tell me what you sing.
If you could talk to me, what news would you bring?
Of voices in the sky.
Nightingale hovering high, harmonize the wind.
Darkness your symphony, I can hear you sing,
Of voices in the sky.
Just what is happening to me?

I lie awake with the sound of the sea,
Calling to me.
Old man passing by, tell me what you sing.
Though your voice be faint, I am listening.
Voices in the sky.
Children with a skipping rope, tell me what you sing.
Playtime is nearly gone, bell's about to ring.
Voices in the sky.
