

Nothing Catches Jesus By Surprise

[John Michael Montgomery](#)

Catching Babe Ruth, catching Roger Maris
The way you caught my eye in Paris, Tennises
Fell in seduction, well I'm seduced
You sell a war then we sell the truth
It's the truth So baby just close your eyes
Nothing catches Jesus by surprise Confusin' love for heated passion
Got what I want but no satisfaction
Ain't it funny how things can change
We're amazed how they stay the same
Stay the same So baby just close your eyes
Nothing catches Jesus by surprise You look so pretty when you smile
I haven't seen that for a while Talk about trouble, we've had our share
It's a wonder we're still here
I don't know why I make you cry
It's a part of me I don't like at all So baby just close your eyes
Nothing catches Jesus by surprise Baby just close your eyes
Nothing catches Jesus by surprise
